

Velocity™

FONTAINE®
SuperiorSlide™

Independent Sliding Axles give you multiple configurations to handle any load anywhere!

Fontaine Velocity® SuperiorSlide™

- Independent sliding front and rear axles
- Non-compromising performance:
Superior maneuverability for local city hauls...
Superior stability for the highway!
- Allows multiple axle configurations for better load distribution and easier compliance
- Steel mainbeams and crossmembers
- Strongest mainbeams in the industry backed by the XtremeBeam Limited Lifetime Warranty*

IMPORTANT NOTE: Axle placement and legal load ratings are dependent upon multiple factors including federal, state and local regulations, GAWR, and tire ratings.
